Dear

We thank you for the vehicle order placed with Porsche Middle East and Africa FZE for your personalized Porsche 911 Carrera GTS.

The prices given are based on the model and options you have selected and are subject to change as detailed in the Vehicle Order Agreement.

On receipt of your deposit the vehicle based on your chosen specifications will be ordered from Dr. Ing. h.c. F. Porsche AG.

As your vehicle has now been personalized to your own exact requirements we regret to inform you that this deposit will be non-refundable.

In order to enhance your purchasing experience we are pleased to offer a number of other services that may be of assistance to you, these include but are not limited to, finance and insurance options, please ask for further details.

Should you require clarification or assistance on any of the above please do not hesitate in contacting us.

We would like to take this opportunity to thank you once again for your valued custom and we wish you the very best as you embark on your new journey with Porsche.

Kind regards,

PORSCHE

Mohammad Ashraf

Lettering and decals

- Model designation on rear trim in Satin Black
- 'PORSCHE' logo painted in satin Black

PORSCHE

Powertrain & Performance

- Drive
 - Air intakes
 - Chassis
 - Brakes
 - Exhaust system
 - 6-cylinder boxer engine with electric turbocharger, displacement: 3.6 litres
 - 6-cylinder boxer engine with electric turbocharger, displacement: 3.6 litres:
- Combined system:
- maximum power output 398 kW (541 PS)
 - maximum torque 610 Nm
- 8-speed Porsche Doppelkupplung (PDK)
8-speed dual-clutch transmission with manual control via gearshift paddles at steering wheel. Includes an automatic mode
 - Rear-wheel drive
 - Rear-Axle Steering
Active steering of the rear wheels for increased agility, a reduced turning circle at low speeds and improved driving stability at high speeds
 - PASM Sport Suspension (-10 mm)
Sports suspension with independent springs, dampers and stabilisers as well as tuning of the PASM. Including lowering of the body by 10 mm.
Helper springs are also added to the rear
 - Porsche Torque Vectoring Plus (PTV Plus)
PTV Plus includes fully variable electronically controlled rear differential lock and fully variable torque distribution
 - Sport Chrono Package incl. Porsche Track Precision App & tyre temperature display
Includes:
 - analogue and digital stopwatch
 - Sport Chrono clock with distinguishable dial
 - Shift paddles in black
 - SPORT PLUS mode for performance-oriented tuning of engine, transmission, chassis and all-wheel drive
 - PSM Sport mode
 - Porsche Track Precision App
 - Tyre temperature display
 - SPORT Response button in red for fingertip activation of performance-oriented engine, transmission and chassis setups
 - activation of 'Launch Control' and motorsport-derived gearshift strategy in SPORT PLUS mode
 - integrated Sport Chrono tile with recording of lap times and telemetry data. Adding tracks as well as the analysis of sectors and laps
 - integrated performance tile to visualize Porsche driving dynamics in real time
 - Sports exhaust system (tailpipes in Black)
Sports exhaust system with modified silencer and two oval tailpipe trims in black stainless steel (high-gloss)
 - Power steering plus
Power-assisted steering system with ability to reduce steering effort at low speeds, e.g. during manoeuvring and parking
 - Brake system with Brake Calipers painted in Red
6-piston aluminium monobloc fixed brake calipers at front and 4-piston aluminium fixed monobloc brake calipers at rear, brake discs with brake chambers made of aluminium, diameter 408 mm at front and 380 mm at rear, internally vented and cross-drilled, brake calipers Red
 - Lithium-ion battery
Power electronics, lithium-ion battery with 1,9 kWh energy content and electrically powered auxiliary units (air conditioning compressor and electric brake booster) as well as electric turbocharger
 - 63-litre fuel tank
 - Suspension standard

PORSCHE

Lights & Vision

- Vision
- Matrix LED main headlights
 - Camera-based headlights
 - 11 stripes LED Matrix (vertical) for individual dimming of segments to hide vehicles ahead and oncoming traffic
 - additional high beam
 - segment-specific dimming of reflective traffic signs
 - specific headlight function on highways: Higher range of visibility on highways by raising the light cone
 - dynamic automatic leveling of the headlights: compensation of different loading conditions and dynamic chassis movement (braking and acceleration)
 - coming home / leaving home: Adjustable time of headlight activation at opening or closing of the car
 - 4-spot daylight: still active (dimmed) with active headlights at darkness
- Taillight strip with 'PORSCHE' lettering
 - Three-dimensional clear LED taillights incl. reversing light and direction indicators as well as integral third brake lights
 - Integrated parking lights and rear fog-light
 - Seamless taillight strip with integrated 'PORSCHE' logo in satin Black
- Automatically dimming interior and exterior mirrors with integrated rain sensor
- Electric folding exterior mirrors incl. courtesy lighting
- Windscreen with grey top tint Heavily tinted in the upper area to reduce dazzle

Interior packages & decors/materials

- Interior trim in black brushed aluminum
 - Dashboard trim strip, centre console trim and door panel trim strips in Black, inlays in black brushed aluminium
- Accent Package black
 - Door release levers, dashboard and door panel trim strips, and centre console trim in Black, decorative inlays in black brushed aluminium
- Leather/microfiber interior

Seatbelts & Seat Design

- Seat belts black
- Headrests with stitched model designation Headrests with stitched 'GTS' logo

Steering wheel, gearshift/selector lever

- Heated GT Sports Steering Wheel Race-Tex and Mode-switch
 - GT sports steering wheel with multifunction, shift paddles in black as well as electric reach and height adjustment
 - Mode switch to select the driving modes Normal, Sport, Sport Plus and Wet
 - Predefined drive modes can be individually adjusted in various sporty vehicle settings such as chassis level (note: setting options depend on equipment)
- Steering wheel with manual fore/aft and height adjustment

PORSCHE

Interior design

- Lights, interior
- Three-Point automatic seat belts
Three-Point automatic seat belts with pretensioners (front and outer rear Seats) and force limiters (front)
- Instrument dial black
- Compass instrument dial/Sport Chrono stopwatch instrument dial black
- Roof lining in Race-Tex
Roof lining, A-pillar trim, B-pillar cover (upper section), C-pillar in Race-Tex
- Door sill guards in brushed aluminum in Black with model designation
- Sun visors for driver and front passenger
- Floor mats front
- Fire extinguisher
Compact DIN EN 3 powder extinguisher installed under passenger seat and containing 1 kg of extinguishing agent
- Omission of the quilting
- Sport Style Pedals and Footrest Pedals and footrest with stainless steel surround (matte brushed).

Assistance systems

- Assistance systems
- ParkAssist (front and rear) with visual and audible warning
Parking aid with ultrasonic sensors integrated into front and rear aprons. Audible notifications of the distance to an object located to the front and rear of the vehicle.
- Reversing camera
Reversing camera above rear licence plate. Distance graphic and colour camera image with superimposed dynamic guidelines on the screen of PCM.
- Cruise control
Once activated, the function maintains the speed set by the driver using the control lever on the steering wheel.
- Warn and Brake Assist incl. Pedestrian protection
Detects the area ahead of the vehicle. Within the system limitations, an impending frontal collision with other vehicles, pedestrians or cyclists can be detected both in the urban and extra-urban speed range.

The system warns the driver visually, acoustically and if necessary through a braking jolt. Where required, the system can support the driver's braking or initiate partial or full deceleration in order to reduce the collision speed or prevent the collision in some circumstances.

- Emergency call system eCall
European Automatic Emergency Call System eCall
- Driver Awareness Detection By tracking of driving behaviour, user interaction and view direction of the driver, there will be optical and acoustic warnings if distraction or indications of tiredness are detected.

PORSCHE

Comfort & everyday usability

- Comfort systems
- Air conditioning
- Storage and luggage compartment
- Porsche Entry

Keyless entry and drive: unlocking and locking of the vehicle including luggage compartment lid. Includes automatic extension of the exterior door handles when the vehicle is approached from the side

Note: The Comfort Access uses state of the art technology. However, it cannot be completely ruled out that the key's wireless encryption code is intercepted and used to open or steal the vehicle

- Safety
- Two-zone automatic climate control
2-zone automatic climate control with separate temperature settings for driver and front passenger, automatic air-recirculation mode incl. air quality sensor
- Particle/pollen filter with active carbon filter
Particle/pollen filter with active carbon filter
Traps particles, pollen and odours and thoroughly filters fine dust out of the outside air
- Light design package
Additional ambient lighting around the door storage compartments, the centre console and the rear seats. Dimmable and available in seven colours; including front footwell lighting
- Alarm system with interior surveillance
- Non-smoking package
- Alcohol Interlock preparation
- Airbags - Full-size airbags (two-stage) for driver and front passenger
 - Porsche Side Impact Protection System (POSIP), comprising side impact protection elements in the doors and side airbags
 - Coupé: thorax airbags integrated into the side bolsters of the front seats and Curtainairbags for driver and passenger integrated into the roof
 - Cabriolet/Targa: combined head- / thorax airbags integrated into the side bolsters of the front seats

PORSCHE

Infotainment

- Porsche Communication Management (PCM)
- Displays
- Navigation High
- Smartphone compartment with wireless charging (up to 15 W)
Smartphone compartment in centre console with wireless charging up to 15 W
- Voice Control
- BOSE® Surround Sound System
BOSE® Surround Sound System with 12 loudspeakers including centre speaker and subwoofer integrated into the vehicle body. Fully active sound system with a total output of 570 watts. BOSE® Centerpoint 2 and SurroundStage technologies enable the system to play stereo recordings in a virtual surround mode. AudioPilot Noise Compensation Technology ensures that the acoustic pattern is constant and well balanced in all driving conditions. BOSE® SoundTrue enhancement technology delivers improved audio quality and dynamics for compressed audio formats such as MP3.
- Smartphone integration
Connect your smartphone to your Porsche and get some of your apps directly on the Porsche Communication Management (PCM) screen. Both Apple CarPlay® and Android Auto™ are supported. Voice recognition lets you use apps conveniently while driving, minimising distractions and allowing you to concentrate fully on the road.

Note: Apple CarPlay requires a compatible iPhone®. The approval of Apple CarPlay in individual countries as well as the approval of apps for Apple CarPlay is controlled exclusively by Apple®.

The approval of Android Auto in individual countries as well as the approval of apps for Android Auto is controlled exclusively by Google®.

The following mobile devices are compatible with the software used in the vehicle can be used without restrictions:

- Apple: iPhone 7 and higher starting iOS 14.1
- Android™ mobile devices with active Google Play services such as Samsung Galaxy S10, Huawei P30, Google Pixel 4, Google Pixel 4XL (Android version 10).

Other devices may be compatible. Users of Android™ devices with Android 9 and lower can download Android Auto from the Google Play Store. For users with devices running Android 10 and above, Android Auto is pre-installed.

- USB-C fast charging - 2 USB-C Power Delivery connectivity and fast charging ports in the center console main storage compartment

(A suitable charging cable and a fast charging mobile device are required for the fast charging function. The actual charging power taken by the connected device may vary.)
