

Taycan Turbo S Sport Turismo: emissioni CO<sub>2</sub> combinato (WLTP) 0 g/km, consumo elettrico combinato (WLTP) 20,9 – 18,7 kWh/100 km, Gamma elettrica combinata (WLTP) 545 – 607 km, Gamma elettrica in aree urbane (WLTP) 616 – 684 km

## Porsche Taycan Turbo S Soho House One: craftsmanship, design and a premium experience

**19/06/2026** The Porsche Taycan Turbo S Sport Turismo Soho House One announced today is a unique expression of Soho Home combined with the Porsche values of heritage and design. Inspired by the interiors of Soho House's current Houses, Soho Home draws inspiration from the surrounding areas, creative communities, and the history of each location.

Based on the 700 kW / 952 PS electric Taycan Turbo S Sport Turismo, the unique Soho House One complements the sharp styling and benchmark performance of the all-electric sports car with a unique Greek Street Green metallic paint with distinctive satin finish, a luxurious leather interior featuring bespoke seat fabrics and burl wood details, and an innovative glass Variable Light Control roof.

The unique Porsche Taycan Turbo S Soho House One, created as a showcase for the breadth of

individualisation offered by the Porsche Sonderwunsch programme to present a new expression of the Soho Home design language, for the first time in a car. Every detail celebrates the tradition of Soho Home to high quality materials and exceptional craftsmanship, ensuring every piece is thoughtfully made and built to last.

The distinctive satin exterior is finished in the same green as the exterior of Soho House 40 Greek Street. The wheels are finished in a contrasting Monteverde Green. Inside, the design and overall ambience has been transformed to reflect the relaxed and modern interiors of Soho Home, mixing elements such as the upholstery in a distinctive fabrics, wood and leather.

The seat material is inspired by the Soho Home Murphy Jacquard in an exclusive chocolate shade, featuring a pattern inspired by the geometric motifs of 180 House in London. This is complemented by burl wood and Truffle Brown leather trim.

Creativity is part of the brand heritage of Porsche, which can be traced back to the visionary, dream-driven approach of Ferry Porsche. Both Soho House and Porsche have a tradition of celebrating creativity through cultural programming including special art commissions.

Faithful to this philosophy, the Taycan Turbo S Soho House One is a unique performance car that elevates the experience of the benchmark electric sports car.

“Soho House has been a long-term partner of Porsche creating exceptional member experiences for their global community. Their culture of creativity aligns closely with our own heritage and values, making an ideal partnership for meaningful cultural engagement,” commented Deniz Keskin, Director, Brand Management and Partnerships, Porsche AG.

“Soho Home, the interior brand from Soho House, and Porsche both stand for excellent design and craftsmanship. In the case of Soho Home, it provides access to modern interiors inspired by Soho House’s 50 locations globally. On our side, Porsche builds exceptional sports cars with an emphasis on style and creativity. This makes the Taycan Turbo S Soho House One the perfect expression of our shared values of creative excellence and innovation.”
