

Porsche Drive subscription and rental program launches in Montreal

26/05/2022 Exclusive on-demand access to the brand's sports cars offered in Canada's second largest city.

Starting today, Porsche is offering on-demand access to an exclusive selection of its sports cars in Montreal. The Porsche Drive monthly subscription plan provides members access to a Porsche vehicle via an easy-to-use digital platform. The program also proposes daily and weekly on-demand rental service in the greater Montreal area. All services feature delivery and pick-up by a concierge anywhere a customer chooses within a 50-km radius around the city's downtown core.

▣ More than a manufacturer of exclusive sports cars, Porsche is a purveyor of sporty mobility,\" said Marc Ouayoun, President & CEO of Porsche Cars Canada, Ltd. \"With over 450 first deliveries in Canada since the program's inception, Porsche Drive is back in the greater Montreal area, with an extended offering of flexible and convenient alternatives to conventional vehicle ownership.\"

Porsche Drive Montreal offers members access to a fleet of various models from the German sports car

maker – including the 911 and the all-electric Taycan –with added flexibility compared to a traditional lease or purchase. Customers can rent a Porsche from one day to several months.

Porsche Drive Rental

Customers seeking a more short-term commitment, such as weekend getaways, date nights, or vacations, can schedule a daily or weekly rental service, choosing from the Porsche Drive fleet. Rentals allow up to 400 kilometres per day. Daily pricing ranges from \$319 for a Macan to \$539 for a 911 when selecting a one- to three-day rental period. Opting for a 911 over a rental period of 4 days or more reduces the daily price to \$469 plus tax. All operating costs except fuel, charging on Taycan and E-Hybrid models, taxes, as well as fees are included in the program pricing.

Porsche Drive Single-Vehicle Subscription

Offered in Canada since November 2020, the single-vehicle subscription offers members access to a single Porsche model of their choice for one or three months as a starting commitment. Single-vehicle subscription monthly pricing ranges from \$2,650 to \$4,900 for a 30-day period, depending on the model selected. Insurance, maintenance, and concierge service are included in the monthly fee.

Porsche Drive Multi-Vehicle Subscription

A multi-vehicle subscription plan will also soon be available in Montreal. Formerly Porsche Passport, Porsche Drive launched in Toronto in late 2019 and Vancouver in spring 2021, and a seasonal offer was extended to Kelowna last year. This monthly subscription plan features unlimited swaps from a list of select models from the entire line-up. Vehicles are ordered through an easy-to-use digital platform, then delivered and returned by a concierge anywhere within the servicing area. The multi-vehicle subscription membership will include 718, Macan, Cayenne, Panamera, and the all-electric Taycan in a single monthly payment of \$4,500, plus taxes and fees. Also included will be the iconic 911, with the exception of 911 GTS and 911 Targa models, both of which are currently offered exclusively in the single-vehicle subscription.
