

Building interfaces: Hi, I'm Roman!

23/01/2017 Who works in the Porsche Digital Lab? Porsche Newsroom introduces the team.

Roman Siejek has been working at Porsche for over 16 months. As Start-Up Relations Manager since the Porsche Digital Lab's early beginnings, he has been primarily responsible for networking people and strengthening contact with creative ideas in a digitized world. Roman Siejek is building an environment in which new approaches and forms of cooperation can establish and grow.

Berlin is home to a flourishing start-up scene, making it the ideal location for the Relation Manager to achieve this goal. "This is a place where interesting people who share a certain spirit can come together. It's fun to discover how our ideas can help us to achieve our goals". Realising these ideas will be Agile Coach Roman Siejek's responsibility.
